provided that such restrictions shall not extend so far as to prevent the removal of property imported into any State, to any other State, of which the owner is an inhabitant; provided also that no imposition, duties or restriction shall be laid by any State, on the property of the United States, or either of them.

All bills of credit emitted, monies borrowed, and debts contracted by, or under the authority of Congress, before the assembling of the United States, in pursuance of the present confederation, shall be deemed and considered as a charge against the United States, for payment and satisfaction whereof the said United States, and the public faith are hereby solemnly pledged.

Franco-Al Maroc Shereefian Empire Protectorate Treaty signed at Fez March 30, 1912

*This Provision probably has in view the carrying out of that part of Article 60 of the Algenciras act which stipulates that “ before authorizing the execution of deeds transferring property the Cadi will have to satisfy himself of the validity of the Title in conformity to the Mohammedan Law” The department is, however, advised that the records of land titles in Al Maroc are very incomplete, and that this provision of the regulations may be used to delay indefinitely transfers of property in which the Moorish Government has in “Fact” no legal or equitable rights. **“He who comes into equity must come with clean hands”***

REFUSAL IS DISCHARGED!

Performed by my hand and seal with manifest special intent and purpose, freewill act and Deed:

I DECLARE, under penalty of perjury under the land, air and waters of the Al Maroc Shereefian Empire that the foregoing is true and correct. Executed: ____12____/____20____, 2023_.
